

Why The Palladio / Avant Garde Front Door is the most superior Composite Door in the market	The Palladio Door Collection	The Avant Garde Collection	Other composite doors
Double rebated as standard giving you a double seal as opposed to a 44mm single rebate door that would have a single seal for air tightness. Highly energy efficient.	✓	✓	✗
All doors are Renolit foil finish (not painted) matching the outer frame perfectly as opposed to a white frame only as the door colour cannot match the frame	✓	✓	✗
Triple glazed units as standard with sidelight glass matching. Most door manufacturers do not have any sidelight glass available.	✓	✓	✗
Made up of 65mm reinforced fibreglass superior monocoque structure filled with a PUREX0 core.	✓	✗	✗
Made up of ultra strong Durohalts composite structure with high density PU core.	✗	✓	✗
Unique Door Designs. No compromise on styling. Full range of Palladio/Avant Garde designs are stunning, classic and modern with a 12 year construction warranty.	✓	✓	✗
High Security super thick wall construction, a Milenco 10point multi-locking system and 4 bespoke adjustable hinges. The Palladio is the most secure composite door on the market.	✓	✓	✗
No Delamination. Unique wall construction means Palladio Doors can't warp, twist or delaminate.	✓	✓	✗
Super Strong Packaging. Delivery in Ireland and the UK ensures door arrives in perfect condition.	✓	✓	✗
Revolutionary high density PU core	✗	✓	✗
2mm GRP outer skin. Painted on surface only, easily scratched, will crack on the surface & fade within 3-4 years.	✗	✗	✓
